Professional Development Opportunities for Nurses

Select Medical provides career opportunities throughout the entire continuum of care. Whatever setting you choose, you can develop your career with Select Medical.

Nurses at Select Medical advance their specialized skills and enjoy rewarding, interdisciplinary collaboration. New graduates receive comprehensive orientation to smoothly transition from the classroom to bedside.

Our organization offers great benefits, competitive compensation and a promote-from-within culture featuring:

- Company-paid nursing assistant to registered nurse; and, registered nurse to Bachelor of Science in Nursing (BSN) scholarships
- Clinical advancement program with biweekly incentive
 - Proficient I \$2,000/annually
 - Proficient II \$3,000/annually
 - Expert (requires CCRN) \$4,800/annually
- Tuition assistance
- Student loan repayment assistance

We're looking for compassionate caregivers who put patients first. If that is you, let's talk.
