COOK 7- Lead Worker

Job Description

This position functions as a lead worker and oversees prisoner workers in the preparation and service of meals for prisoners and staff in a correctional facility using MDOC standardized processes, recipes, menus and reports.

FOOD SERVICE SUPERVISOR 9

Job Description

The position serves as Food Services Shift Supervisor at a correctional facility with responsibility for directing the work of subordinate staff and prisoner workers during a shift in food service operations. This involves directly overseeing and managing the preparation and serving of three meals daily, including the service of general population meals, religious meals, and therapeutic diets. The Food Services Shift Supervisor oversees subordinate staff and trains prisoner workers in quantity food service preparation and serving of meals in a prison food service setting, while ensuring adherence to policy directives, State-Wide menu, operating procedures, nutritional standards, safe food handling practices, proper sanitation, environmental and fire safety requirements.
